Vast Expansion of the Original

Special to The Tribune.
SODA SPRINGS, Idaho, June 10.—Ezra
Meeker, the Washington man who is
making a trip with an ox team back over
the old Oregon trail, was in Soda Springs
the past week and arranged for the erec-
tion of a monument on First South street,
near Horseshoe spring. The old Oregon trail
passes directly through this city, what is
now called First South street, and Mr. Meeker
thinks that what is now called Horseshoe
spring is one of the springs at which his
party camped in 1822 when he went
through to the coast. He remembers
Steamboat spring well. There are very
few of the towns along the old route
that can boast of the proud distinction
of being directly on the trail and can
erect a monument within the town's limits
and mark exactly a part of that trail.
A committee consisting of E. D. Whit-
man, H. C. Gorton and Joe H. DeWitt
was selected to take charge of the mat-
ter, securing the monument and put-
ting it in place, and on Wednesday Mr.
Meeker continued on his way east.

Teachers Elected.
In selecting teachers for the next term
the school board has decided upon Prof.
John Johnson of Blackfoot for principal,
and Misses L. A. Smith and H. H. Hoyer
for the positions they have filled during
the past term.
The school has been principal of the
school at Blackfoot for several years past
and has given excellent satisfaction. The
three teachers who have been re-engaged
for the next term are: Miss L. A. Smith,
Miss H. H. Hoyer, and Miss J. H. Hoyer.
In order to get this kind of talent for our
school it was necessary to raise the
wages and the principal will now draw
\$125 per month, while the salary of the
other teachers has been raised \$5 each,
making it now \$65 per month.
The first school to be marked here this
season will be on Sunday.
Julius Hansen and family of Lago have
moved to Rosa in Bingham county for
the summer.

Shipping Oats.
Messrs. Williams & Wetzel have shipped
eight cars of oats this spring and have
orders for more, a part of which they
will be able to fill.
The Bannock and Irrigation com-
pany are working on their canal, which
is to take water from Spring creek, and
expect to have it ready for use in a few
days.

New Hotel at Gray.
The Chieftain says the new three-story
hotel at Gray with twenty rooms,
known as the Miners' Exchange, built by
James Stocks & Co. is nearly com-
pleted. It is an imposing structure for
this part of the country and will be
ample to furnish accommodations for all
comers.

Revived.
Special to The Tribune.
MOUNTAIN HOME, Idaho, June 10.—
There are indications that the Short Line
people contemplate extending the Twin
Falls line westward from Buhl across the
Snake river into the BrunEAU valley. It
is even possible it will be carried on down
the south side of the Snake to Murphy
and be made the main line.

men, who stand high in this community.

THE GENERAL ELECTRIC COMPANY ENTERS FIELD

Vast Expansion of the Original
Plans of Perrine and
Hollister.

Special to The Tribune.
BOISE, Ida., June 10.—On Friday, June
15, a meeting will be held in New York
that will be of great importance in its
bearing upon the future of electrical
power development in southern Idaho,
says the Statesman.

This meeting will settle the details of
a large and somewhat complex deal by
which the General Electric company will
secure possession of all or nearly all the
important power sites on the Snake river,
together with some plants already estab-
lished or in process of construction.
It is the General Electric company
with which J. H. Hollister and J. B.
Perrine and their associates are dealing.
In seeking capital for the proposed
power plant at Shoshone falls, they eventually
reached persons connected with the
General Electric. When the engineer-
ers of that company came out here they
found a field that appealed to them, and
the result has been a vast expansion of
the original plans and the taking on
of contracts having no connection with
the project presented by Hollister
and Perrine.

ONE AND A QUARTER MILLION OF DOLLARS

Vast Sums Are Now Going Into
New Structures at
Nampa.

Special to The Tribune.
NAMPA, Idaho, June 10.—Careful esti-
mates of the total cost of buildings sure
of construction in Nampa this summer,
brings the amount up to \$1,000,000 and over,
exclusive of the best quarter, the
brewery, sawmill and railroad work. This
large amount will be spent on business
houses and residences. Six new business
houses are now under construction, with
three more to start within the next two
weeks, and a walk around the town re-
veals new residences in every direction.
The sugar factory people are spending about
\$1,000,000 in new work on the brewery com-
pany, \$100,000, and the O. S. L. \$100,000.
And Uncle Sam is spending \$1,000,000 in
reclaiming the arid lands around the
town.

Mine to Resume.
C. W. Hill has arrived from New York
to resume operations on the Stormy Hill
group of claims at Silver City, which he
and eastern parties have purchased. The
final payment on the claims has been made
and the company expects to do a
considerable development work this sum-
mer.

Real Estate Sales.
J. W. Crampton has demonstrated his
faith in Nampa by purchasing block 25
in the Waterhouse on which he will
build a new residence. The price
paid was \$300.

**Considerable property has changed
hands in the Kurtz addition lately. Three
blocks have been sold to Julia Roberts
of Boise, and a block each to E. Daff,
Halley; W. C. McPherson, Portland; Mrs.
A. E. Anderson, Boise; E. W. Schubert,
Boise; E. Buckingham, Salt Lake, and
Samuel Hotchkiss, Winthrop, Wash.**

Buyers Business Lets.
H. L. Brandt has purchased the three
lots belonging to George Duval on the
corner of First and E streets, paying \$10-
00 for them. Mr. Brandt is considering
the matter of erecting business houses on
the property, which is one of the choicest
sites in town.

Will Wear Diamonds.
C. W. Weiside, manager of the Dewey
Palace hotel, and Fred Barnes, superin-
tendent of the Dewey railway, are
planning to wear diamonds. Mr. Weiside
has received a diamond ring with a
large stone, and Mr. Barnes has received
a diamond ring with a large stone.

NEW MINING COMPANY.
Challis People Preparing to Dig for
the Yellow Metal.
CHALLIS, Ida., June 10.—The Oxarna
Gold Mining company was organized at
the law office of Milton A. Brown in
Challis June 10. The company is capi-
talized at \$100,000, divided into 1,000 shares
at \$1 per share. There are eleven directors,
and the officers for the first year are: W.
C. Brown, president; J. E. Fiedler, sec-
retary-treasurer, and Milton A. Brown,
vice-president. The mines are located at
Custer, Ida.

Rev. McDougall Departs.
Rev. George L. McDougall and family
departed for the next day for
Wyo., where Mr. McDougall has been
called to preach. Mr. McDougall has
been pastor of the Challis church for
about a year past and is the ablest
minister of the gospel that has presided
in this city.

Eight Grade Graduates.
The commencement exercises of the
eight grade graduates of the
Challis public school was held at the
O. O. F. hall on Friday evening, June 1.
It was a large and interesting affair,
attended by five girls and ten boys. Of
the thirty-eight eighth grade graduates
in Custer county this year the Challis
school has furnished nearly one-half.
The class is as follows: Isabel Boyd,
Isabella Beardsley, Minnie McLellan,
Myrtle Walker, Harriet Walker, J.
Anderson, Joe Paul, John Boyd, Elbert
Cotter, Pierce Dorgan, Thomas Jose,
Franklin Cameron, Will Stephens, Ev-
erett Baxter and Glen Hammond.

NEW RAILROAD EXTENSION.
The Short Line Proposes a Cut-Off in
Eastern Idaho.
Special to The Tribune.
BLACKFOOT, Idaho, June 10.—Maps have
been filed in the Blackfoot land office
for the Idaho and Wyoming railroad. It
extends from Blackfoot in an easterly direction
to South Fork canyon, passing Swan Valley
and Gray, to the Wyoming line. From there
the road will extend north to Jackson Hole
and another southward to Cokerville, Wyo-
ning. The proposed new line is an extension
of the Short Line system.

Dangerously Ill.
W. H. Clark, well known in central and
eastern Idaho, is dangerously ill in California.
His mother has been summoned from
his bedside to his bedside.
Harry Baker and Miss Sarah E. Hennefer
were married Thursday. Both have lived
in Idaho for some time and will make
their home there. The bride is a daughter
of James E. Hennefer who came here from
Utah about nine years ago.
Everybody who has been quarantined for
smallpox or scarlet fever in Blackfoot, has
been released, and the houses at Hotel
cases at Shelley, Iowa and Idaho Falls have
also passed the danger point and no further
anxiety is felt about them.

Grocery Firm Dissolves.
The firm of Hunter Bros., grocers, has been
dissolved. The business will be continued
by James Hunter.
There is very reason to believe that the
forthcoming sugar beet crop will exceed the
usual average tonnage per acre. Reports at
this time are favorable for a large terri-
tory tributary to the Blackfoot factory.
Miss Patricia M. Bates and Elbert P.
Zeller were married at the Methodist church
here today by Rev. G. O. Haley.
Grant G. Womack is now head salesman for
a big firm at Nampa, and will take his family
to Nampa and make that his future home.
J. R. Allgood and George W. Hunter left
Monday with a car of goods and stock and
will make their future home in Canada.

WEAK MEN

So-called "Weakness" in men is merely
a symptom of chronic inflammation in the
prostate gland, brought on by early
disipation or by the improper treatment
of some contracted disease. A complete
and radical cure is, therefore, a question
of restoring the prostate gland to its
normal state, and this is accomplished
promptly and completely without the use
of internal remedies. Our treatment is a
local one entirely. It is original and
scientific, and has been proved absolutely
effective by thousands of tests. We are
convinced that by no other method can a
full and permanent restoration of
strength and vigor be accomplished.

Dark Circles under Eyes, Bash-

ly, Weak, Trembles, Varicocele,
Excessive Drinking, Loss in
Urine, Exposure, Overwork and
Worry, Exhausting Dreams.

An endless number of men have one or more of the above symptoms and
drag from day to day in despair of a prosperous, happy future, and well they
may, for if neglected their health is sure to be wrecked by a complete loss of
physical, mental and sexual power.
My method completely and permanently revives manhood after "cure-
all" remedies and "quackcure" specialists fail to even benefit.

My scientific, systematic course of treatment for weak,
nervous, broken-down youths and men, who have, through
folly, dissipation and excesses, unfitted themselves for
work and the enjoyment of life, is a system that has been
tested many times over and proven entirely satisfactory in
every case. It is totally different from the many sickening
pills and tablets, and the stimulating, stomach-ruining drugs
given by those who are not specialists. My specific treatment for all
the symptoms indicating Failing Manhood is harmless,
though so effective as to remove them immediately. It is
constitutional; therefore, by purifying and enriching the
blood, strengthening the nervous system, nourishing the tis-
sues, the patient becomes strong and healthy with all signs
of trouble forever gone. The treatment is to the human
system what the sap is to the tree—it buds energy, ambition
and confidence that lead into a prime, healthy, vigorous
feeling of new life.

I treat and cure all such pelvic diseases as PILES, FISTULA, RUPTURE,
VARICOCELE, HYDROCELE, BLOOD POISON, SKIN DISEASES, SORES, ULCERS,
NERVOUS DECLINE, and diseases of the KIDNEYS, BLADDER AND
PROSTATE. My method of treating these diseases has proved so success-
ful that I guarantee a permanent cure in every case accepted, and contract by a
written instrument to produce permanent and satisfactory results or refund money.

**IMPORTANT—I will cure you for less money than you can be treated
for by any other specialist in Salt Lake. You may have to come to me
sooner or later in order to be properly cured; why not before you have lost
your money in doctoring with cheap, unskilled specialists?**
**CURE OR NO CHARGE—ABSOLUTELY NO CHARGE UNLESS SAT-
ISFACTION IS GIVEN.** Every patient is given a written guarantee to re-
fund every dollar paid for services if they do not receive a complete, life-
long cure and entire satisfaction, and I have made a deposit of \$500.00 in
the bank to secure any contract that is not fulfilled.

CONSULTATION FREE, CONFIDENTIAL AND INVITED. A personal,
thorough and searching examination is required, though if inconvenient to call,
